Discover the thrilling world of the Cannabis Yachties!

Jeannette invites readers to join Seychelle, a young woman who stumbles upon a mysterious life raft on the Alabama Gulf Coast. Inside the raft, she finds Chianti's logbook, a captivating account of sailing adventures in the Caribbean. Seychelle is intrigued by Chianti and decides to track her down, hoping to learn more about her life and the secrets of her inheritance.

But Seychelle soon realizes that Chianti's world is not as idyllic as it seems. She enters a dangerous realm of cannabis smuggling, where she encounters ruthless drug lords, corrupt DEA agents, and shady family members. Seychelle's father was somehow involved in this underworld, and his legacy puts her in peril. She must find the truth and clear her name before it's too late.

SEYCHELLE and the Cannabis Yachties is the first book in the Cannabis Yachties Series, a thrilling saga of adventure, romance, and intrigue.
